**The TY1 class have been hard at work making Christmas cards.**

**Thanks to all who purchased some.**

**They are also hoping to hold a tournament for the 1<sup>st</sup> and 2<sup>nd</sup> years as part of their enterprize project. Also every lunch time there will be a jumble sale on where student can buy old games and books for a reasonable price. All proceeds will be going towards the Troaire Christmas Appeal.**

**As part of the Ty's Careers course the TY's will be organising A Career Day with the help of their teacher Ms. Carden. This will involve inviting in people from a variety of different careers into the school to talk about their profession. This will help the senior student in their CAO choices.**

**Recently the TY's have completed two weeks of work experience and an Interview with a Lecturer from Sligo IT and are now doing the ECDL programme. These activities will be of great benefit to them in the future.**
