1. General Policy

The Board of Management St Clare's Comprehensive School supports and encourages school tours. It concurs with Department of Education guidelines which state that

"the objective of educational tours for schools should be that they be of benefit in the intellectual, cultural and social development of the pupils taking part in them and any activity, in connection with the tour, which is in conflict with this objective is to be avoided".

School tours are categorised under two headings: those which are demanded by the particular curriculum subject, such as field trips and those which deepen the student's knowledge and understanding of the cultural, social and physical aspects of the areas or countries visited. Student tours to develop linguistic skills are a good example of the latter.

To reflect a world which is developing and changing, current educational philosophy recommends that students have first-hand experience wherever possible. School tours allow learning to extend beyond the walls of the classroom and as such are an integral part of a balanced educational process. School tours require good preparation and organisation to optimise the learning experience for students.

The Board would hope that all school trips and tours would have a beneficial effect on pupils, enhancing both their academic prowess and their social skills.

In circular letter M20/04 the Department of Education and Science has devolved to Boards of Management the authorisation to grant approval for educational tours by school groups both inside and outside the State subject to a number of criteria which are set out in this circular letter. It is recommended that all Boards of Management should ensure that a clear policy statement on these activities is prepared for the guidance of staff, pupils and parents

In preparing such a policy statement it is recommended that the following issues be addressed:

2. Proposals for the operation of school tours. A clear mechanism will be agreed by which teaching staff can put forward proposals for the operation of school tours. There should be an agreed length of time between the submission of a proposal and the starting date of the proposed tour (Minimum of one month for any overnight trip). In this latter regard it is preferable that, insofar as possible, a full schedule of such events be known and approved at the beginning of the school year in which they are to take place.

The approval of proposals is a matter for the Board of Management subject to the recommendation of the Principal and appropriate senior management staff.

In granting approval consideration will be given to: Child Protection and Health and Safety Issues for all travelling

- Conformity with the criteria in circular letter M20/04.
- The number of other proposed events to take place during the course of the year
- The timing of the event and its effect on other school activities
- It's implications for the normal teaching routine of the school
- The suitability of travel and accommodation arrangements.

3.The Tour Leader and other Tour Staff.

A teacher will be nominated as the Director of the Tour who will be expected to ensure that it is conducted in accordance with all agreed standards. The Tour Leader will act as or nominate a Designated Liaison person with responsibility for Child Protection issues. All tour leaders therefore need to receive up to date training on a regular (ideally an annual) basis. The Tour Leader will also recruit / nominate a member of the Tour Party to be responsible for Health and Safety issues on tour. A statement of the professional responsibilities and duties of all tour staff for the duration of the tour will be agreed. Although it may be difficult and even impossible at times every effort should be made to remain in contact with the school and particularly with the Principal / Deputy Principal during the tour.

4.Pupil/Teacher ratio. The ratio of pupils to teachers should be in accordance with criteria agreed by the Board of Management in advance.

This pupil/teacher ratio might be expected to vary in certain circumstances: The age and the maturity of the pupil involved.

- ❖ The availability of alternative adult supervision e.g. parents, Special Needs Assistants.
- ❖ The length of the tour.
- ❖ The activities to be engaged in.

5.Costs and accountability for Finances. The overall cost of a school tour should be agreed in advance and should be such as to take into account the ability of pupils and their parents to pay. The income and expenditure of funds associated with the tour should conform fully to the accounting practices of the school.

6.Rules of Behaviour during the School Tour. The code of behaviour to be observed by pupils during the course of the school tour will be agreed and made known to pupils, parents and teachers in advance. Every effort should be made to ensure that the rules of behaviour are positive and consistent with the objectives of the school tour and with the age and level of maturity of the participating students. They should deal explicitly with a number of issues:

- The use or abuse of tobacco, alcohol, drugs.
- The full participation by pupils in the activities of the tour.
- Behaviour during leisure time if and when pupils are not under the direct supervision of teachers.
- Travelling on private or on public transport.
- Respect for and compliance with local customs and laws, particularly when travelling abroad.
- Behaviour of pupils in hotels/hostels and other overnight accommodation.

Students and parent(s)/guardian(s) shall acquaint themselves with the school's Code of Discipline and agree to abide by it. Each student and her parent(s)/guardian(s) shall be given a form outlining any additional rules, regulations and special requirements and shall be required to sign this.

The Board of Management specifically wishes to draw attention to the following:

(i) All underlying medical/dietary conditions or other issues which may impact the outcome of the tour should be disclosed to the Tour Leader in advance by the parent/guardian.

(ii) Students must follow instructions of Tour Group Leaders at all times.

(iii) Students must stay with the tour group. A student may not go off by him/herself or wander off anywhere alone: students must stay in groups at all times.

(iv) Students must not purchase alcohol or tobacco products for any purpose at any stage of the tour.

(v) The use of alcohol or other non-medically prescribed drugs by students on a tour is absolutely forbidden.

(vi) The Board of Management requires parent(s)/guardian(s) to guarantee that when their child/ward comes to the school to assemble for the start of a school tour; she/he does so free of illegal substances either on her person or in her luggage.

7. Contact Information.

The Tour Leader must ensure that complete contact information is left available in the school during the tour for use in the event of an emergency. This should include:

- A listing of all of those taking part together with home contact details.
- The itinerary to be followed and contact details.–
- A contact telephone number for the Tour Director.

8. Insurance and Indemnity.

School tours within Ireland (including Northern Ireland) by pupils and teachers from C & C schools are normally covered by the State Indemnity provided the Board of Management properly approves the tour. Where, however, the tour is involved in an activity of a specialist nature, such as an outdoor Education Centre that requires supervision by trained professionals, the Board of Management may not rely entirely on the State Indemnity for insurance purposes. In considering applications/requests from teachers to bring students on an outdoor activities type tour e.g. Transition Year Group for orienteering, canoeing, hill walking etc. activities the Board should ensure:

- (i) Written applications giving full details of the proposed tour are submitted to the Board of Management.
- (ii) The school receives a copy of the Outdoor Activity/Pursuits Centre Public Liability insurance certificate and notes any limitations stated in the policy.
- (iii) The school receives details of the professional qualifications/training of the Outdoor Activity/Pursuits Centre staff who will be leading/guiding the students in the specialist outdoor activities.

- (iv) Parents/guardians should be encouraged to effect Personal Accident Insurance cover for their students. The insurance company should also be contacted to ensure the students are covered for these specialist outdoor activities under the Personal Accident policy.
- (v) The State Indemnity still applies to the teachers who accompany the students to the Outdoor Activity/Pursuits Centre in the performance of their normal supervisory and pastoral role.
- (vi) Where doubts remain then the Board of Management/School Management should seek and acquire appropriate insurance protection for the Board of Management, teachers and for students.
- (vii) Boards of Management/School Management should not approve the release of teachers to supervise and or the attendance of students on these specialist tours to Outdoor Activity/Pursuits Centres unless all aspects of supervision, training and insurance are clarified with all interests and noted. In the case of school tours outside the island of Ireland the Board of Management should not rely on the State Indemnity for insurance purposes. Appropriate travel insurance should be taken out to cover those embarking on the tour.

9. Reporting back to Principal and Board of Management.

Arrangements should be made for a summary report from the Director of a school tour to the Principal and the Board of Management outlining:

- The achievements of the tour.
- A financial statement.
- Any difficulties or problems which arose during the course of the tour.

10. Notice to Parents. Provision should be made to ensure that parents of pupils who might participate in a tour are given adequate notice outlining:

- ✚ The objectives of the tour.
- ✚ The itinerary and duration of the tour.
- ✚ The costs involved and method of payment.
- ✚ The rules of behaviour to be observed.
- ✚ Any relevant information.
- ✚ Information regarding insurance and indemnity.
- ✚ Parents should be made aware of their duty to inform the school of any relevant Health or Safety issues which might affect their children.

The signed permission of parents must be an essential pre-requisite for the participation of their children in any school tour

St Clare's Comprehensive Parental Consent Form & Emergency Information for School Tours

Name of Student: _____
Date of Birth: _____ Class: _____
Address: _____

Tour Leader Name: _____
Trip or Activity Planned: _____

Expectations and Instructions:

The following expectations are required of each student:

- To follow instructions given by the teacher
- To stay with the group unless appropriate authorisation from a teacher has been given.
- To comply with all school rules as per Code of Behaviour
- Parent/Legal Guardian Medical Emergency Authorisation In the event of a medical emergency while my child is participating in a school trip,

I authorise St Clare's Comprehensive officials to release the following information as requested by the healthcare provider.

Parents are required to attend in person a briefing regarding the School Tour.

This form should be completed and returned to the school in advance of the school tour.

Emergency Contact Information

1st Choice Name _____ Phone (WK) _____ (HM) _____
2nd Choice Name: _____ Phone: (WK) _____ (HM) _____

Emergency Medical Information (Please complete as applicable.)

Family Physician: _____ Phone _____
Date of last tetanus booster: _____
My child is allergic to: _____
Medication taken routinely: _____
Special health needs: _____
Name of insurance company(if any): _____ Policy _____
EHIC (E111) no. _____

Any Additional Information which may impact the outcome of the tour

This form must be kept with school officials at all times during the school trip.

_____ Parent/Legal Guardian Signature _____ Date
